FOR IMMEDIATE RELEASE

LOCAL BUSINESS TO OFFER JOB SEARCH SUCCESS SYSTEM

(Baltimore, MD) Winifred A. Winston, Owner of Winifred's Winning Career Solutions, formally known as, Winifred's Winning Résumé Services, is pleased to announce that she has partnered with Mary Elizabeth Bradford to offer the Job Search Success System. The Job Search Success System is a Do-It-Yourself home study job search course. Users learn how to easily set up a turnkey plan to find industry specific positions, tap into the hidden job market, use Internet techniques to research companies and industries, overcome job search challenges, and much more. Step-by-step coaching audios and corresponding worksheets to download ensure users get the answers to job search questions they were always looking for.

The Job Search Success System won the Career Directors International "2011 Career Innovator Award" and contains 18 modules containing 60-minute pre recorded audio coaching sessions. Everything is neatly organized by topic and typical job-search sequence. These powerful modules contain the "nuts and bolts" instructions in the format of your very own private online classroom vital to your career success.

Winifred's Winning Career Solutions also offers expert résumé writing, career coaching, and training seminars to entry-level through executive clientele in the global marketplace. Ms. Winston is a Certified Professional Résumé Writer and Certified Employment Interview Consultant. She is a job search columnist with over 7 years' experience assisting students and professionals meet their career goals.
